

Tiny Treasures. January-April 2019.

Thank you for your continued help and support. Having made some major changes to our pre- school group, I am pleased to report that both groups seem to be working very well. We will continue with this model. I am pleased to report that we have 12 helpers for our two departments so a big thank you to you all. I am thrilled to announce that Sally Davey is joining the Tiny Treasures. We are very sad to be losing Jo but are very grateful for all her many years of tireless service working with our little ones. Thank you so much Jo. Becky Clark has been prepared to oversee the Tiny Treasures so if you cannot cover your week for any reason please let her know. Thank You, Lynne Jones.
